- A/V costs are always high. But, Food and Beverage minimum, and room minimum have been large changes at the Sheraton – looking at signing a contract for 2028

- Would like to have speakers and schedule out by December meeting, so confirmations would like to be done by November

**Midwest Meet Information:**

- For 2027 we are in a financial position to pursue an overnight stay. But, Our position as an association is to make sure and get estimates on what an overnight budget looks like and have a plan in place to have a site to host and plans solidified

- Discussed multi-class XC with the IHSAA to try and be on the same page as IHSAA if it ever comes to pass as a proposal.
